-Autumns Moon Over The Calm Lake

(Piano music was written in 1975. It is one of the famous 1930 "Guangdong music".  
Bright and beautiful colours with full background harmonies. It describes the West Lake in Hangzhou in moonlight through charming pictures. It impresses quite and charm music, but is completely Chinese style. „Like a Chinese Debussy" )

~Jianzhong Wang

Silver Clouds Chasing the Moon

~Yiqiang Sun

Dance of Spring
